

## Approved Animal Indicator Retailer List as of December 1, 2017

This **Approved Animal Indicator Retailer List** includes all of Canadian Cattle Identification Agency (CCIA)-Authorized Retailers of Approved Animal Indicators that have voluntarily opted-in to have their location name and contact information published in this list. There is no mandatory requirement to be included in this list and none of the listed locations were compelled to opt-in by CCIA. At the time of this list's update, the retailers included were in compliance with the requirement to have a current, valid agreement in place with CCIA to sell approved CCIA animal indicators.

This list will be updated and posted on a regular basis. While CCIA will make its best efforts to ensure this list remains current, CCIA makes no representation or warranty relating to this information and CCIA accepts no liability for any error or omission in the information. CCIA may make changes to this information at any time without prior notice, and CCIA is not obligated to provide any updates of any changes in information to anyone who may have accessed the list prior to the changes being made. Provision of this information to any person does not constitute or imply an endorsement by CCIA of any of the products or services provided by any person or business set out on this list.
